Changes in Interest Rates 2022

There's a lot of talk at the moment around the possibility of an interest rate rise, and those with mortgages

or looking at taking out a mortgage are obviously concerned with what this means for them.

Portfolio Update

Quarterly Summary Reports

As detailed in the reports, inflation was the number one market driver in the first quarter, which was good news for commodities and financials, and not-so-good news for fixed income and growth equities.

The prospect of improved market conditions is strong, however, as western economies look to shake off the pandemic. A general summary and portfolio-specific summaries can be found below.
